

PEI Education Center

Quantity Solution

This solution is most effective for companies who want to invest more in training but aren't sure how many employees they'll train each year. Courses are purchased individually or at a quantity discount based on the number of seats. Plus, there's no expiration date, and courses can be assigned as needed. This allows companies to strategically select courses that support their workforce.

PEI Education Center Discount Options

No. Seats	Discount	Discount Price
1-9	0%	\$ 325.00
10-24	10%	\$ 292.50
